12. Unknown Players (help needed)

St Patrick's Cricket Club
60th Anniversary

1. Presidents Welcome

Welcome to our 60th season celebrations. This is the 60th continuous season since our last reformation back at the start of the 1956/57 cricketing season.

Over the years, the Club has stopped and started a few times. A few recesses occurred over time.

The SPCC first played competitive cricket in the 1919/1920 cricket season in a Junior ABCA competition. This was not a junior age competition as we now know them, but the Club played in this competition for two seasons before having A & B grade teams in the senior ABCA competition for the 1921/1922 and 1922/1923 seasons. Player numbers fell away so for the 1923/1924 season SPCC were only able to field an A grade side before going into recess from the end of the 1925/1926 season.

A couple of notable players from this era were Mr. J. McKenzie, who on four occasions during the 1921/1922 season took seven or more wickets. Not to be outdone, Dr. Gerard Kenna completed this feat on six occasions during the 1924/1925 season, with another eight wicket haul in the 1925/1926 season. During his career, Dr. Kenna took seven or more wickets on twenty occasions. He was inducted into the CAW Hall of Fame in 2012, along with another SPCC player in Jack Adams; in 2014 Norm Wighton was also inducted.

The next couple of competitive seasons saw the Club short on numbers. During the 1930/1931 and 1931/1932 seasons, only B grade teams were fielded. 1932/1933 and 1933/1934 saw the Club play under the banner of CYMC (Christian Men's Youth Club) in the B grade competition, before another recess.

In 1945/1946 there were two A grade teams playing - CYMC & CBC (Christian Brothers College) – but for the 1946/1947 season the Club was again known as SPCC with teams playing in A & B Grades. The 1947/1948 & 1948/1949 seasons saw the Club return to play under the CYMC banner in B Grade.

The next venture into competition cricket was the start of our continuation to the 60th Anniversary we are celebrating tonight. For the 1956/1957 season, when we entered A & C grade teams into the ABCA competition under the leadership of John H. McCormack, or "Little John" as he was affectionately known. The A grade team selected to represent the Club for the first game that season consisted of John H. McCormack (Capt), John Lynam, Bert Fletcher, John K. McCormack, Norm Wighton, Noel Wighton, John McDonald, Geoff Cox, John Osteraas, Noel Fielder, John Knobel and Alby Quinlan but, due to inclement weather, the game was washed out.

The following season, 1957/1958, the Club's C grade team was promoted to the B grade competition to play alongside our A grade team. For the following season, 1958/1959, we had a full complement of sides playing in the ABCA competition with the Club nominating teams for A, B & C grades. The following year, 1959/1960, we only competed in A & B grade, but from the 1960/1961 season through to the current season the Club has fielded teams in A, B & C grade competitions.

At times we have also fielded A Reserve & Colts sides, sometimes having 2 teams in the lower grades. This year the Club has entered a team into the District B Grade competition as well

The Clubs first taste of Premiership success for the current period came from our 1962/1963 C grade team led by Pat Baine. In the same year ABCA introduced the junior competition and our U15 team won the first ABCA Junior Premiership, the first of a hat trick for them. Our first ever A grade premiership came in the 1968/1969 season, under the leadership of Joe Adams, when SPCC defeated Churches-Kiwis at the Albury Sports Ground. Churches-Kiwis won the toss and elected to bat, making 148 in the first innings, (Bert Fletcher 3/38, John Dyball 3/15, Joe Adams 1/27) and scoring 212 in the second innings, (Bert Fletcher 3/77, Joe Adams 2/53 Jim Robinson 2/20 and John Dyball 2/243) lost to St. Patrick's 311 in the first innings, (Joe Adams 157, Peter Friedlieb 77, a 4th wicket partnership of 185 between Joe Adams and Peter Friedlieb), and 3/50 in the second innings to win by 163 runs on the first innings. Premiership players were Joe Adams (C), Alan Bounader, John Dyball, Bert Fletcher, Harry Flood, Peter Friedlieb, John Kimball, Gavan Mackenzie, Jim Robison, Geoff Romero and Norm Wighton. The disappointment experienced in the 1969/1970 season of the A grade, being beaten in the semi-final by eventual premiers Wodonga, was over the following week when the clubs' B grade team won their first premiership. The A grade loss must have spurred the club on as they won premierships in the 1970/1971 and 1971/1972 seasons. We had to wait till the 2003/2004 season before we tasted success in A grade again followed by the 2010/2011 win.

The Club has been playing at Xavier (Aquinas College) since the early 1960's. Our first home ground in the 1956/1957 season was the Albury Sportsground, and our training facilities were located in South Albury at what is now known as Waites Park. With the move to Xavier the Club was able to build training nets at our home ground with the first practise nets being built where the current student car park is before shifting to the St. Anne's end of the old #1 oval, our main oval, until the end of the 2001/2002 season.

The end of the 2001/2002 season saw the club have a 'Burning of the Pitch' function, with all players from that season gathering on the centre wicket, which is now just outside the (blue) main assembly hall at Xavier, to farewell the ground. The School was growing and needed further classrooms to accommodate new arrivals, and the only spare ground was on the current sporting fields. This school expansion bought about the 'birth' of our current ovals. The Club spent the 2002/2003 season playing at Albury High School oval while extensive works were being done to get the new grounds up. On 11/10/2003, SPCC B grade played North Albury the first game on the new Xavier #1 oval, which was won by SPCC.

Over the next thirteen years we have seen many changes to these surroundings. The old Scout Hall became our change rooms, as they still are today. The 'Chinese Restaurant', as it was originally named, arrived in 2005 season, with a shelter extension added later. Currently the old building is being given 'a new lease of life'. New training facilities had to be constructed with our move and, due to our growth, have been further extended to give us the best training facilities in the competition. The first Spectators Hill was constructed just to the side of the canteen area; an upgrade to area was completed for the start of the 2014/2015 season. The new area was dedicated to our inspirational young club member & player, Braedon Hensel, who fought cancer for four years before finally succumbing. The hill was opened by Father Kevin and called "Pup's Hill".

St Patrick's Cricket Club
60th Anniversary

Although the Club may not have won as many A grade premierships as some clubs, it has remained a force throughout the competition winning many lower grade and junior premierships.

In the 2010/2011 season the Club achieved the ultimate 'triple crown' of premierships in A, B & C grade competitions, a very rare feat for any Club and one we are very proud of.

I would like to acknowledge all players, past and present and thank them and their families for their support of St Patrick's Cricket Club over the years. I would particularly like to acknowledge those who have done a tremendous amount of hard work to get this night organised, collating names of players who have played for the Club over the last sixty years, tallying the number of games played, runs made and wickets taken. Extensive research has been undertaken on the Clubs' history. Getting everything organised hasn't happened overnight but over a long period of time and I thank all the people involved.

Thank you to everyone for attending, enjoy the night and I look forward to seeing you at the next reunion in ten years' time.

Vincent Jones
President SPCC

2. Important Information Regarding Statistics in this Booklet

The statistics compiled in this booklet have been produced using a combination of scorebooks held and scores published in the *Border Mail*. Consequently, the accuracy of the statistics cannot be guaranteed. Additionally, we have only included senior matches (so any matches played in junior grades such as U16's or U14's is not included).

As a guide, the statistics for all A grade matches is likely to be 95+% accurate (with the exception of overs and maidens bowled as early *Border Mail* records only included wickets and runs – so we had to estimate overs bowled and ignore maidens) due to the fact that the *Border Mail* have generally produced full scorecards for all A grade matches. There were however instances where scoresheets were not submitted to the *Border Mail* and so were never published.

Statistics for all other grades are less likely to be as reliable as unless we had a scorebook available, then statistics are really only able to be recorded based on what figures were in fact published in the *Border Mail* (which in most cases is only the best batting and bowling performances each week). Again, overs and maidens bowled is not accurate where information was extracted from *Border Mail* records.

We have been able to compile statistics in full for all grades from 1988/89 season to date – with the exception of the 1989/90 and 1992/93 seasons for C grade (these two seasons are based on *Border Mail* scores only). The other exception is the 1962/63 season – the C grade results for that season are correct (we had the book!).

Given that a substantial amount of data was compiled directly from *Border Mail* records, we have had to take some educated guesses on occasion when it comes to determining who actually played in a match. Friday team publications don't always reflect those players who actually took the field on Saturday!

We must also recognise the contribution of Richard Lee of East Albury Cricket Club who supplied electronic copies of Border Mail records stretching back from the early 1940's through to 2009. Without his contribution these statistics would probably not have been compiled.

We would love to be able to improve the accuracy of the statistics in our database so if you happen to know where some old scorebooks are, please send them our way.

Enjoy the read.

AD and Trout

Anthony Duck	2014

11. Club Honour Board

The following is a list of Club Executives, Team Captains and Best Club Person awardees. The information from the early 1990's to current is accurate. Information for the first 35 odd years has been compiled substantially from either records found or by the memories of past members. If you can help us fill in any gaps or correct any errors, please email details to **treasurer@stpatrickscc.com.au** or call Danny Salmon on 0448 403 777.
